

# Dev Vardhan Kedia

## Web Developer

### About Me

Detail-oriented Web Developer with hands-on experience in building responsive user interfaces using HTML, CSS, and JavaScript. Skilled in [React.js](#), [Next.js](#), and [Tailwind CSS](#), with a focus on clean design and performance. Passionate about writing efficient, scalable code and delivering intuitive digital experiences.

### Contact Information

**Location:** Kolkata, Web Developer

### Skills & Expertise

#### ★★★★ Proficient

HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS, Git &#x26; Version Control, Responsive Design, Cross-Browser Compatibility, Team Collaboration, Problem-Solving, Code Optimization

#### ★★ Comfortable

RESTful APIs, Node.js, TypeScript, UI/UX Principles, Agile Methodologies, Debugging Complex Issues, Code Reviews, Client Communication

#### ★ Learning

MongoDB, AngularJS, RESTful APIs, Basic Backend Development (Node.js/Express), UI/UX Principles, Agile Methodologies, Debugging Complex Issues, Client Communication

### Professional Experience

#### Projects & Works

*E - Commerce Website Languages used—HTML, Tailwind CSS, JavaScript, and React (Next.js)*

*Global Technology Languages used—xyz*

*Online Vegan Store Languages used — HTML5 and Tailwind CSS*

I have developed multiple web projects showcasing my proficiency in modern frontend technologies. These include **Shopco**, a fully responsive E-commerce application built with Next.js, Tailwind CSS, JavaScript, and React, featuring dynamic product listings, shopping cart functionality, and deployed using Vercel with continuous integration from GitHub. I also created an **Online Vegan Store** using HTML5 and Tailwind CSS, focusing on adaptive layouts, intuitive navigation, and visually engaging product showcases to deliver a seamless user experience across devices. Additionally, I contributed to **Global Technology**, leveraging modern frameworks and collaborative development practices to build scalable web solutions.

#### IAYP (International Award for Young People)

*Volunteer April 2018—February 2020*

I volunteered as part of the International Award for Young People (IAYP), where I actively engaged in community service, skill development, physical recreation, and an adventurous journey. Through this program, I contributed to meaningful social initiatives, developed leadership and teamwork skills, and challenged myself to step out of my comfort zone. This experience taught me the value of discipline, empathy, and resilience while making a positive impact on the community.

- Volunteered with the International Award for Young People (IAYP), contributing to community service and skill-building activities.
- Developed teamwork, leadership, and resilience through adventurous journeys and personal challenges.

### Achievements

#### Bachelor of Technology, Comp Sci

 Shri Shankracharya Institute Of Professional Manangement And Technology

Focused on core subjects like Data Structures, Algorithms, Web Development, and Database Management. Worked on academic and personal projects involving Next.js, React, Tailwind CSS, and MongoDB. Actively participated in coding competitions, technical fests, and team-based software development tasks. Gained skills in Git, version control, problem-solving, and collaborative development. Developed strong problem-solving, teamwork, and version control skills through group projects and coding challenges.

#### Higher Secondary Certificate

 Sacred Heart School

Completed Higher Secondary Education (Class 12) in the Science stream with a focus on Physics, Chemistry, and Mathematics from Sacred Heart School, affiliated to ICSE. Developed a strong academic foundation and participated in extracurricular activities, including volunteering and leadership roles, which enhanced teamwork, communication, and problem-solving skills.

### Hobbies & Interests

Enjoy exploring creative outlets outside of work, from reading fiction and discovering new music to engaging in strategy-based video games that sharpen problem-solving and critical thinking. Passionate about storytelling in games and cinema.
